Aug 2018 - 2022

Majors: Computer Science and Engineering
Srinivas Institute Of Technology, Mangaluru Taluk
Dakshina kannada District Karnataka.

PROJECTS

GANESH PORTFOLIO — PERSONAL WEBSITE FOR A BENCH PRESS CHAMPION

- Developed a professional portfolio website to showcase achievements, medals, and event highlights of a national-level bench press champion.
- Designed a clean and responsive UI using HTML, CSS, and JavaScript.
- Added sections like Home, About, Gallery, Achievements, Contact, and Medals for better presentation.

SUSI BAGS — E-COMMERCE BAG COLLECTION WEBSITE

- Developed a full-stack e-commerce platform where admins can upload and manage bag collections with images and details.
- Implemented user authentication (login/register) allowing customers to browse and purchase bags securely.
- Added a shopping cart system where selected items move to the cart with real-time total price calculation.
- Built using Node.js, Express.js, EJS, and MongoDB, ensuring scalable and efficient performance.
